“ I always like talking to Mrs. Juanita when I would drop my sons off at daycare. They are seven years apart and she had both of them in her room. We will be praying for the family in your time of sorrow.

“ Mrs. Juanita was the kindest, most sincere person I have ever met. Working with here at Community Action was one of the highlights for me. She was hardworking and dedicated. If I could be one fourth of the woman she was, this world would be truly blessed. My heart is heavy right now. I love you Mrs. Juanita and I will always hold a special place in my heart for you. Another Angel has earned her wings.

“ *Dear Posey-Roberson Family,*

There are few things more difficult than dealing with the loss of a loved one. We, along with our staff, are honored and humbled that you have chosen our family to care for your family during this time. It is our hope that we have been able, in some small way, to lighten your burden and give proper reverence to a life lived. Please let us know if we can be of further service.

Respectfully,
