“ *A Tribute to My Mother In Law Lou Annie Rice*

A century old, as you would say 100 years young! When I said, " I do ", to your son James Earl Rice, I not only gained a husband but another mother, (in-law).

Your son James passed May 31, 2014 and his wish was to get back home and see his momma. All of his illnesses did not allow him to travel, but he is with you now! To be absent from the body is to be present with the LORD. I know you both are walking on streets of gold and enjoying what God has built for you both in heaven.

May your soul Rest In Peace and your spirit live eternally with God the Father in your new heavenly home.

Respectfully,

*Nona Moss Rice

“ *Dear Rice Family,*

There are few things more difficult than dealing with the loss of a loved one. We, along with our staff, are honored and humbled that you have chosen our family to care for your family during this time. It is our hope that we have been able, in some small way, to lighten your burden and give proper reverence to a life lived. Please let us know if we can be of further service.

Respectfully,
