“ *Dear granny,
I do not know where to begin. I can not say my life has been all bad but my life has not been the same since you have been gone. I love you so much and I hate to look back on the day the lord took you from me. No one knew me like you did and I will always cherish the summers I spent with you as a little girl. You were the only grandmother I have ever known and I am saddened now that you are gone. I cant wait till one day we reunite because you are all I think about. Please know that I love you and my life is not the same without you in it. I love you granny and i hope to see you again one day. The family is not the same without you! You were the backbone to our family! I love you always and forever granny!!##imported-begin##Tae Tae Mason##imported-end##*

“ *Mama,*

I just want you to know today is a very sad day for me. Loosing a another love one. Mama if anybody could have prepared me for your death it should have been you. B/c everyday and night I wait to see you again and tell you how much I miss my Mother. I miss you so bad. I know one day I am going to be able to talk about and not be so sad and be happy that you have went on home to glory land to be with your Mother and Father. Remember, one thing Ol'Lady you were my life and I miss calling you everyday. My children who are your grandkids miss you dearly.##imported-begin##Lisa Peschon##imported-end##
