“ We grew up together, there were 22 of us grands and getting together at our grandparents on Sunday was a highlight. We played hard and we laughed hard. How I miss those days. She was like a leader when we got together. She will be thought of and missed by many. But we will see her again in better times and health.

“ Dear Lightfoot and Ray Family,

There are few things more difficult than dealing with the loss of a loved one. We, along with our staff, are honored and humbled that you have chosen our family to care for your family during this time. It is our hope that we have been able, in some small way, to lighten your burden and give proper reverence to a life lived. Please let us know if we can be of further service.

Respectfully,
