“ I lived beside Mrs. Ray for six wonderful years and sat on her porch many days, and late evenings. Mrs. Ray always listened and then shared words of wisdom, joy, laughter, and comfort during the loss of my mother, godmother, and special friend. She gave me beautiful flowers from her yard which are now planted at my home now in my front yard. I will always have memories and a special love for her when I look at them.

There are few things more difficult than dealing with the loss of a loved one. We, along with our staff, are honored and humbled that you have chosen our family to care for your family during this time. It is our hope that we have been able, in some small way, to lighten your burden and give proper reverence to a life lived. Please let us know if we can be of further service.

Respectfully,
