“ *So sorry to get the news of my friend's homegoing. Mary and I go back to high school days and were almost like sisters. When the Brown family lived in Williamsburg, we were close in church and home. I visited the Williams' in Chicago many years ago.*

*I will miss chatting with my buddy: we called each other often and shared memories and news. May she rest in God's perfect peace.*

“ Dear Williams Family,

*There are few things more difficult than dealing with the loss of a loved one. We, along with our staff, are honored and humbled that you have chosen our family to care for your family during this time. It is our hope that we have been able, in some small way, to lighten your burden and give proper reverence to a life lived. Please let us know if we can be of further service.*

*Respectfully,*
