“ I worked with him at Western Kentucky university and every morning before our shift started I would walk into the break room and he would always be there sitting with his earbuds in listening to music. He was a great person and I enjoyed working with him and feel very blessed to have met such a great person. He will truly be missed. RIP AND GO WITH JESUS AND PLAY YOUR MUSIC!!! We have lost a friend,father, and loved one, but our loss is heavens gain.

“ Micah will always be my good friend, we met years ago when we both worked for Walmart. We were like best friends! We joked all the time, he always kept me laughing and smiling. No matter how hard life was Micah would always be there to pick me up, or give me the best advice. He was always positive! He loved his music. My brother called me today, and stated that he only met Micah once while visiting, and they sat in his studio room for hours listening to music all night! Micah left me with the best memories. Continued prayers and condolences for his family, friends, coworkers, and neighbors. Rest in heaven mad mic! Never forgotten! 🙏
