“ *I have known Naomi for years. We worked together at Holley and I saw her everyday. She always had a smile on her face and something nice to say. She also took care of my mom when she was ill. She was a great blessing to my family in our time of need. I will always remember her with great affection. God Bless the family. Love you,

“ *I know I could not list all of the lives that Mrs Naomi touched in her time on earth but I do know she is continuing take care of us by helping prepare a better place for us all. From the time I was 6 years old she opened her home to me just like I was one of her own. I will always be appreciative of the lessons she would teach and the meals she would prepare. The thing I am most appreciative of is the friend she gave me in Chris . Thanks for taking time out of your life to touch mine in such a positive way.*
