“ *I loved Norma Gene. She was my moms caretaker for 10 years. She was a caring person not only to her family but to me and my mom. She was such a bright spot in our lives! Norma always had time to listen and help where ever she could. I loved her sense of humor. She was such a good christian lady and always had a positive outlook on life. She was like a second mom to me when my mom passed away 2 years ago. I will miss her so much!*

“ Dear Byrd Family,

There are few things more difficult than dealing with the loss of a loved one. We, along with our staff, are honored and humbled that you have chosen our family to care for your family during this time. It is our hope that we have been able, in some small way, to lighten your burden and give proper reverence to a life lived. Please let us know if we can be of further service.

Respectfully,
