“ Irv and I are from Muskegon and we had known Orie for many years. He worked at Sealed Power, toyed around with race cars and we stood up for him and Charlotte when they got married. Had not seen Orie in many years but he always had a hardy laugh. Our sympathies go out to Charlotte and the kids. May he now be free of pain. Irv and Pat Johnson

“ To Orie's family will always remember how he and Char shared vegetables from the garden and all the canned goods she made they shared with us. He too now joins My husband John Botschka . they were such great neighbors and it meant so much to us willing to help us in time of need. May he rest in peace and Go's blessings to all his family member left behind. Helen and Pooja.

“ The times we laughed, the times we cried, the times we spent at Rent-A-Ride. Every time I go to Michigan, hear about Michigan, or think about Michigan--I always think about his fishing stories and the flying into one of those secluded islands to fish. Also, every time I drive through Ruidoso, I think about how much he loved it there. And his friends, the pigs, in Ramsey Canyon. Know, those memories will remain. Heaven is ever so brighter with another big voice!!

“ I remember Uncle O when I was growing up small faint memories... However when my husband deployed in 2010 I remember a lot of late night talks with Uncle O... He would always ask me how Wayne was doing and offer much needed support.. It was so nice.. Especially since he had never met my husband... I love you Uncle O you will be missed...

“ *I only knew Orie from his son Jason, one memory I have is when Jason and Lisa were moving from Arizona to Kentucky. Jason rented a truck and a car hauler, it was funny listening to father and son trying to load the car onto the car hauler because there was a wiring problem that didn't take Orie long to find, it was one of my sadder days because Jason was moving but Orie was strong for the family*
