“ It will be 9 years tomorrow May 7th at my home in Hiseville, Ky. around 8:30 am ,while holding my daughter Portia in my arms, on my lap, when she dropped her head and took her last breath. Some of you may think that its been a while, but to me, her Mama, it seems like yesterday. 😭😭

“ *Hey my Big Girl!! I love you soooooo much. I plan on getting you a salisbury pink bench to match your tombstone at the graveyard. Now I can sit with you a while and remember all the sweet things and ways you are. I miss you. I thank God for the peace he has given me now. I can't say i don't cry anymore because i would be lying, but not as much.*

Yvonne Williams - October 25, 2013 at 01:22 PM

“ *My Big Girl, last night I had a crazy dream, a wish was granted just for me.*

It could be for any thing. I didn't ask for money or a mansion by the sea.

I simply wished for one more day with you.

One more day, one more hour, one more sunset baby I'd be satisfied, but then

again, I know what it would do, leave me wishin still for one more day with you.

First thing I'd do is pray for time to pass, I'd unplug the telephone and

keep the T.V. off. I'd hold you every second, say a million I love you's,

that's what I'd do with one more day with you.

One more day, one more hour, one more sunset baby I'd be satisfied, but then again, I know what it would do, leave me wishin still for one more day with you.

One more day, one more time, one more sunset maybe I'd be satisfied, but then

again, I know what it would do, leave me wishin still for one more day, leave

me

wishin still for one more day, leave me wishin still for one more day, with you.

One more day!!

“ Stopped by your tombstone today, That pink teddy bear design always reminds me of how you loved teddy bears. Just thinking how Judy Burnam brought you a teddy bear to put in your coffin. Now its in Heaven with you. She is such a sweet lady. I love you my Big Girl always.

Yvonne Williams - July 18, 2013 at 12:30 PM

“ I love you and miss you more everyday. God knows how I'm feeling about losing you. I can talk to mama about it but this is one thing she knows nothing about because she has not loss a child. A lot of people are quick to tell me how I should feel , but none of them have loss a child. When I think of Trayvon;s parents, I can only imagine half of their pain because I loss you peacefully in my arms. I love you forever.

Yvonne Williams - July 18, 2013 at 12:22 PM

“ I sit here thinking of you and our life that we had, but this thinking is getting me nowhere and I am missing you so bad. It's still hard to believe that you are gone. I know that there are ones who wish that I would move on, but it's not that simple you see My Big Girl its because my heart STILL thinks that you should still be here with me.

It may be a little lesser but it will ALWAYS be there. I come here to your page a lot because it makes me feel like I am soooo close to you here, but sometimes when I get off of here, I feel like I've left you. I love you forever.

I look up in the sky and say hello and good morning my little angel .
I know you cannot hear me, but you know I am there I cannot see you, but I know you are there. I feel you in my dreams and remember your beautiful face. I know God is taking GREAT care of you. Can't wait to hold you again. I love you and miss you soooooo much.

“ Hey My Big Girl, I soooooo can't wait to walk around Heaven with you . I love you and miss you soooooooooooooo much. At home I'll be crying thinking of you so I'll get in my car and drive to the cemetery crying all the way there. Then I'll get out of the car crying as I walk down towards your grave, and then ,when I get down there and stand in front of your tombstone, I immediately always will STOP crying: It's like a peaceful feeling comes all over me. I love you and will NEVER ever forget you.

“ After a while, you just can't cry anymore. You just have to believe that what happens is what's supposed to happen, and, well, you can't change that, even if you tried. So I'm going to dry my tears and hope that tomorrow will be a better day.

Yvonne Williams - November 27, 2012 at 03:58 PM

“ Today I cried, but only for a little while. I don't have all of the answers as to why you had to die, I know that God is a loving God and he would never take a person... that would not be loving at all. You taught me sooooo much, how to smile even in the mist of all the pain. I miss you every day, but I know that one day soon I will see you again, and when I do- I am going to give you a great big hug and kiss. I love you forever.

Yvonne Williams - November 26, 2012 at 09:20 PM

“ Seeing you lay there - no movement, no life, no soul - broke my heart and pushed me to the ground. I began to cry and reached for the love but the one I loved had gone away leaving me alone to face the ever-trying day. My head knew you were gone forever but my heart held onto the hope you were just sleeping. For a moment I saw life; it was a treasured moment worth keeping. Now I need to let go for good but it is the hardest thing to do. I had never loved someone so much and for days I let my tears flow until the realization hit me: I had to let you go. I will never forget you, that is impossible. You can never be replaced; I will forever love you. You will forever have a special place in my heart.

I know I've felt like the victim in various situations in my life, but, it's never too late for me to realize that it's my responsibility to stand on victorious ground and know that whatever it is I'm experiencing or going through, those are just the clouds rolling by while I stand here on the top of this mountain! This mountain called Victory! The clouds will come and the clouds will go, but the truth is that I'm high up here on this mountaintop that reaches into the sky! I am a victor. “Wow my Big Girl, Now I find it REAL HARD to visit your grave or even leave your picture hanging on my wall. Before I'd visit you everyday. I guess the pain has finally hit me : really realizing you're gone. Just unbelievable!! I know you waited for me to pick you up at your Sissy's house in Bowling Green that morning on May 7. You even rode all the way home with me back to Glasgow. You even let me carry you in the house, Then, you looked up at me as I held you in my arms while sitting on the side of the bed.....and then.....You died!!!!!!!!!! It was like you knew I'd be in BG that morning to go to work, and you knew Meca would call me to tell me to make sure I stopped at her apt. that morning instead of after work. Portia, YOU knew that it would have killed me if you had died before I got to see you. Thanks my Big Girl. Even tho. my heart is broken, I know God allowed me to hold you one last time: I held you first when you were born and now I can say I held you last before you died.

“When you died Portia, some people I thought of as friends deserted me-some because they cared about me and it hurt them to see me in pain; others because I reminded them of their own vulnerability, and that was more than they could handle, but REAL FRIENDS overcame their discomfort and came to be there for me at your wait , funeral, and even afterwards. Some lived many distances away but always expressed there love and support by phone or Facebook. My Big Girl, If they had not words to make me feel better, they sat in silence (much better than saying, "You'll get over it," or "It's not so bad; others have it worse") and I love them for it.

“Sundays are both a comfort and a sad day for me. The comfort is in knowing that Portia is now in heaven and knows only pure love, excellent health, and peace. “ *Now, I have to bear the pain of lossing my "Big Girl" Portia and at the close of each day when I am alone with my thoughts, I continue to ask God WHY? Why do I have to bear the pain of losing my beautiful Portia? Why is there so much pain on this earth? Why do you answer some prayers "yes" and others "no"? I know that I'll never get the answers to these hard questions until I meet you face to face, but I still ask because my pain of child loss is so great. Yes, I do trust you, but we will always ask. WHY GOD!! Why did you allow my beautiful Portia to die?*

Portia is looking down at you and Meca each and everyday, and saying thank you for the beautiful 22yrs!!!! Without you, Meca, and God, she would not have been the beautiful strong, precious little angel she was, and still is!!! She may not be here physically, but she is definitely here in spirit always!!!
