“ I have a very heavy heart right now. I just saw Richard a couple of months ago. Always the same ol Richard.. Sweet smile, pleasant personality, and always had something clever to say. We had lots of great times back in school hanging out and dancing like fools after ballgames. Richard was certainly a treasure along with the rest of his family. “ Dear Boards Family,

There are few things more difficult than dealing with the loss of a loved one. We, along with our staff, are honored and humbled that you have chosen our family to care for your family during this time. It is our hope that we have been able, in some small way, to lighten your burden and give proper reverence to a life lived. Please let us know if we can be of further service.
