This loving man is known as my grandfather, He was such an enjoyment ,very strong, independent and a great grandfather. My famaily and I have alot of fun memories with him, just the thought of me lookiing at his smile brings me to joy. Now that he's gone i dont really feel a difference because i feel like he's still here with us. He will always be in my little heart, hes the reason why i dont think so neglitively because he used to tell me me some phrase like this "live everyday because you dont know when your gone". And he's right so this is for you Rich.

The family of Richard Easter would like to thank our family and friends who gave us comfort in the home going of our patriarch Richard Easter. We would like to name you one by one but we would miss a name due to human error. So, we want to say thanks to you especially if you came in person, sent a card, made a call, provided food, gave money, and wanted to do something and could not. We want you to know we thank you and your token of love was well received.

“ *Dear Easter Family,*

There are few things more difficult than dealing with the loss of a loved one. We, along with our staff, are honored and humbled that you have chosen our family to care for your family during this time. It is our hope that we have been able, in some small way, to lighten your burden and give proper reverence to a life lived. Please let us know if we can be of further service.

Respectfully,
