“ *To the family of Robert Hudson, I send my sympathy. I was Robert's basketball coach at Warren Central. I lost track of Robert after high school and I only wish I had known he was as close as Bowling Green. Robert was a very good basketball player but an even better person, my life has been made much richer for knowing him. God Bless.*

“ I just want to wish the family of my ole partner Robert Lee/Hut my deepest condolences and let you guys know that I feel the pain that you all feel. I know that we are not family by blood, but all the times we all have shared in the past, and the closeness we have, you guys have always treated me as one of you! Rest in peace my brother and thank you for all the times we shared throughout the years! In School, on the basketball court, and just running the streets of BG. For whatever reason, he decided to start coming by the house and spending quality time with me for about two or three weeks, the end of July and first of August. Didn't know then that I would not be spending time with you again on this side of the river, but God knew, and I thank him for providing us with that time together! If you guys need me for anything, just let me know!

Love you guys

*There are few things more difficult than dealing with the loss of a loved one. We, along with our staff, are honored and humbled that you have chosen our family to care for your family during this time. It is our hope that we have been able, in some small way, to lighten your burden and give proper reverence to a life lived. Please let us know if we can be of further service.*
