“ Your Uncle Anthony and ypur Dad were good friends here on earth and they will be good friends in Heaven. The last time I got to see and hug him was at Anthony's funeral: He was with his sister-one of my Mom's friends and whom I didn't know was his sister-and I told him that thats no surprise really because I just knew that he came from Good People. Toya, your Dad lived behind me and Anthony when We lived on Church Street and we would visit and play cards with him and his friend often. As I think back Toya,I can NEVER remember him saying or doing ANYTHING mean to anyone: Isn't that a wonderful legacy to follow? God said:A man that hath friends must show himself friendly: and there is a friend that sticketh closer than a brother.{Prov 18:24}. Yes, your Dad had many,many friends because it was EASY for him to do as God said which is show himself friendly!! Dear Toya, I was deeply saddened to hear of your Dad's passing.Please accept my most sincere sympathy and condolences. I truly hope that your memories of the happier moments you spent with your Dad help to ease your pain .Toya, I'm so sorry.Please know that I care about you,I love you,and I'm here for you,and most importantly,I'm praying for you!!If there is anything I can do for you at this difficult time, please let me know. Love You!!###imported-begin###YVONNE BRYANT###imported-end###
