“ To the family of Sister Rosetta Mayberry,

I would like to thank you so much for sharing your mother, grandmother, great grandmother and sister with me and my family! Sister Mayberry was and will always be my friend, mentor and spiritual mother. God blessed her with the unique gift and ability to make everyone she met feel they were special. She would call me at least twice a week to check on me and to tell me she was praying for me and my family. Sister Mayberry's home and kitchen was always open not only on Sabbath but also during the week, and she never turned down a request when asked to cook or bake. I love her greens and cabbage! Sister Mayberry will be missed but the love she shared with me and my family and others will never be forgotten.

I light this yellow candle in love and friendship!

“ Mrs. Mayberry was a wonderful mother to her physical family as well as her spiritual family at Bethel SDA Church in Kansas City, KS prior to her move to Kentucky. She expressed her love to others so freely, including the new pastoral family. Her gentle spirit warmed the room while her strong testimony encouraged all who listened. We thank God for her influence, love, and wisdom. Sis. Rosetta Mayberry will be dearly missed by her Kansas City families.

“ *I still have wonderful memories of my childhood friend walking to and from church and visiting her family. My fondest memory is of our matching jumpers (Mary Lou, Rosetta and I) that we all made and wore together. Deepest thoughts and prayers to the family, from one who knew her long ago.*

“ Dear Mayberry Family,

There are few things more difficult than dealing with the loss of a loved one. We, along with our staff, are honored and humbled that you have chosen our family to care for your family during this time. It is our hope that we have been able, in some small way, to lighten your burden and give proper reverence to a life lived. Please let us know if we can be of further service.

Respectfully,
