“ Good Morning Mom, I am just dropping by to say I love and miss you dearly and I also wanted to tell you that your first and oldest grand daughter received a 15 yr service award from the city of Bowling Green, I was there and took pics. I know you are very proud of Shawnetta but I wanted to share this with you. It was your great parent rearing that allowed this to occur. Holidays is not the same and will never be the same without you. Your sister Sunny Diane will be joining you all soon. For now continue to celebrate the joy of heaven. Kiss everybody and tell them all I love them. Love, Lil Ruby "Lynn"

Mom I miss u every single day of my life. Things arent the same with the family and never will be. While i will forever remember so many things u taught me and to stand for I do just that. I admire u teaching me the important values in life. Treat others with respect, be honest, dont be maniputlate and dont be fake also to always be a good and honest person, work for what u want in life. Mom I look at your picture every day. I am glad that I can look at ur face and talk to u. I am just passing by to tell you that your precious daughter Rena called your name last night. She said Mama! "teary eyed" She will be leaving this earth and joining you and big brother Anthony soon. Mom thank you so much for watching over me Jaliyah and Shawnetta. We are doing fine and should something happens to me before Shawnetta I know u will always have Netta's back but I will make sure she is taken care of while she is till on earth planting her seed to join U Anthony and many others. I love u Mother. Your daughter, Lil Ruby Lynn!

“ My head is spinning , and I know exactly why. I just can't understand why people I love die. In my heart I know they are happy, up in Heaven with my Daddy; But, if I had it my way, everything would change. You both would be down on earth. Nothing would be complicated. There would be no tears. I would not be wearing black with sounds ringing in my ears. I wish it didn't end this way. Although I think it's only fair that my Daddy is opening the Pearly Gates for you Grandmama up in Heaven. So, even though it's hard to say goodbye to you Grandmama, I can really understand you weren't really happy here- without my Daddy here. Your grief took you away from us. I just want to say I'm glad I had you in my life. So, goodbye Grandmama and Daddy too. Please remember me because I'll always remember you.
