“ Sending all my love and prayers to the Maine/Bailey families-- Mrs. Doris, Mr. Bailey, Charles, Sarah, the rest of his siblings and extended family, but especially his two beautiful girls who he absolutely adored!! I can't even express how sorry I am for your loss. If there is anything at all myself or my family (who also loved Ryan) can do, please let us know and don't ever hesitate to reach out!! I will forever cherish all the wonderful memories I shared with Ryan over the years, and for him just blessing my life with his presence for 17 wonderful years. He meant the world to me and he was truly a blessing. His talent was like no other, his laugh was so contagious, and he lit up any room he walked into!! To know him was to love him, my heart aches and this still doesn't seem real. I pray for all who were lucky enough to know him and call him a friend/family, this is a void that will forever be there for all of us. Continuing to send all my love and prayers, and again, sending my deepest condolences ❤️🙏💔
