“ Dear Smith - Ragland Family,

There are few things more difficult than dealing with the loss of a loved one. We, along with our staff, are honored and humbled that you have chosen our family to care for your family during this time. It is our hope that we have been able, in some small way, to lighten your burden and give proper reverence to a life lived. Please let us know if we can be of further service.

Respectfully,

KC

Many years later, I learn of her passing. She had such a beautiful spirit, and I was so happy to have crossed her path. My father was a classmate. My prayers go the family. I reached today to the funeral home hoping they can help me connect. Prayers lifted.
