*Thank you so much for sharing the gift of your daughter with the BGISD family. During our time together, she taught me the magic of a simple song, the celebration in each moment of growth, and the wonder of a child's mind. She is and forever will be precious to me. I am so, so sorry for your loss. May God give you "the peace that passes all understanding" in this time of grief. Our family continues to remember for yours in our daily prayers.
