PS

“ To my beautiful sister in Christ. What a great
friendship we developed in the time we had
together. You are such a wonderful person
with such a great smile. I will miss the times
we shared on the phone and at church I will
especially miss your smile as you came into the sanctuary. To be
absent from the body is to be present with the Lord. I say not
goodbye but I will see you later. To the family I pray God's strength
upon you and His presence with you. My prayers are with you.

PS

“ To my beautiful sister in Christ. I will cherish the time we spent together and the laughs we had also the questions that you had about our Heavenly Father. It was a joy to see you come through the doors of the church during service, your smile was such a delight. I miss you my sister. I know the Angels are playing your favorite song I won't say good-bye just see you later. To the family know that your wife, mom, and sister loved the Lord and He became the joy of her salvation. I pray God's love and strength surrounds you at this difficult time.

“ *Dear Serrano (Day) Family,*

There are few things more difficult than dealing with the loss of a loved one. We, along with our staff, are honored and humbled that you have chosen our family to care for your family during this time. It is our hope that we have been able, in some small way, to lighten your burden and give proper reverence to a life lived. Please let us know if we can be of further service.

Respectfully,
