“ *T.T. my sorrows fall deep within because I felt like you were my son, you came into our lives as a stranger but left our lives as a son and a brother, I couldn't take the place of your mother but was delighted to step in and take the role of one, being around you everyday was a blessing, and it was a joy to hear you say every morning, "Thank you Lord for waking me up this morning" by those words, I always knew you were going to take your place with Jesus in Heaven, and one day we will meet again, and until that day, I will forever remember you, Love You*

“ Words seem lost to express the sadness we feel about losing you, may the love we carry for you ease our sorrows, You brought so many gifts to our lives, may the peace that comes from the memories of love and laughter we shared with you bring us comfort in the days ahead. At the time of your sickness, if only our hugs were strong enough to take away your pain, we would have started and never stopped, the greatest joy we had was just being in your presence, your laughter and personality, we will never forget, Heaven welcomed an angel, his name was T.T.
Love You,

“ Dear Thompson Family,

There are few things more difficult than dealing with the loss of a loved one. We, along with our staff, are honored and humbled that you have chosen our family to care for your family during this time. It is our hope that we have been able, in some small way, to lighten your burden and give proper reverence to a life lived. Please let us know if we can be of further service.

Respectfully,
