“ Good Bye

i ½ Cheyanne Ward

It's time to say goodbye

and we don't understand why

today is the day we lay

our little man to rest

everyone knows he was the best

he was our miracle our dream come true

and we are here to comfort you

though today we say goodbye

just remember he never really dies

for in our hearts his spirit lies

if he could talk I know he'd say

mommy daddy please don't cry

for I am not gone imp flying high

imp that brand new twinkle in the sky

I know one day I'll see you again

and until then

hold your heads up high

and just remember imp standing by

for imp the light of the moon

and the sunlight in the sky

so please be strong and it won't be long

till we're together again

love your little man

Good Bye by Cheyanne Ward###imported-begin###Uncle &Auntie
