“ RIP Trey..... It's rough being at home and when stepping out my back door usually use to seeing you out in the yard with your family, the girls, taking the dogs out, seeing you riding your motorcycle, you coming over to the house out in the garage chit chating with lil J, It's not gonna be the same no more even in the neighborhood, you always had a smile on your face and would always speak and we always had good conversations You are gonna truly be missed it's gonna be hard looking out and stepping out in the backyard.... Praying for the family, especially Your sister, Tiffany, and the girls!

There are few things more difficult than dealing with the loss of a loved one. We, along with our staff, are honored and humbled that you have chosen our family to care for your family during this time.
