Every since I was kid, Bully was always there to take care of others! Every friday at Oakland was snack day. He always reminisced to me about how he would tell me to save my money, then he would buy my coke and snack! He would laugh each time he mentioned it. We will all miss his smile! To Henry Lee, Steve, Janie, and Susie....turn to God for strength doing this time. To all of the grandchildren, he loved each of you all dearly. Love each other the way he carried love for you all! God Bless!! Letisha, Kenny, and kids.

“ Dear Beck Family,

There are few things more difficult than dealing with the loss of a loved one. We, along with our staff, are honored and humbled that you have chosen our family to care for your family during this time. It is our hope that we have been able, in some small way, to lighten your burden and give proper reverence to a life lived. Please let us know if we can be of further service.

Respectfully,
