“ Only today did I read about such a dear friend and competent human being. Having served for 21 years in the Air Force as a fighter pilot and shot down twice in North Viet Nam it was wonderful to read about you. Your lovely sister Beverly was a true friend that I really had good times with in junior high. Walter you were the best running back to go through Conestoga. I learned of your death today so I reach out to your family. He was loved and admired by so many. God Bless you my friend
