“ *Prayers for peace for the family. I'm so glad my son and I had the pleasure of meeting her several times at her grandson Jarian's birthday parties. She always told me I was beautiful and that my son was too. She was the one who was beautiful, and after reading about her life's works, I have no doubt she inspired the beauty I have seen in the hearts of her children and grandchildren. May she rest in peace.*

“ Dear Butts Family,

There are few things more difficult than dealing with the loss of a loved one. We, along with our staff, are honored and humbled that you have chosen our family to care for your family during this time. It is our hope that we have been able, in some small way, to lighten your burden and give proper reverence to a life lived. Please let us know if we can be of further service.

Respectfully,
