“ *Don't think of him as gone away his journey's just begun, life holds so many facets this earth is only one.  
Just think of him as resting from the sorrows and the tears in a place of warmth and comfort where there are no days and years.  
Think how he must be wishing that we could know today how nothing but our sadness can really pass away.  
And think of him as living in the hearts of those he touched... for nothing loved is ever lost and he was loved so much.*

“ Dear Amos Family,

*There are few things more difficult than dealing with the loss of a loved one. We, along with our staff, are honored and humbled that you have chosen our family to care for your family during this time. It is our hope that we have been able, in some small way, to lighten your burden and give proper reverence to a life lived. Please let us know if we can be of further service.*

*Respectfully,*

*Carmen, Cedric, Claudia and Kelly
