“ *A child is like an arrow. You just try to point it in the right direction and hope it hits the target after you let go. According to our Daughter Mecca, the Father of the defendent showed COMPASSION towards our daughter and other members of your family in court today-she could just feel/ see it in his face and in his actions!! If his Son had done this, then just maybe this whole situation wouldn't be as painful!!!*###imported-begin##YVONNE BRYANT##imported-end##

“ My Daddy's love, like a jewel rare. Sparkled with brilliance, in his eyes so dear.His comforting touch and the smell of his hair, always helped to soothe my pain and takes away my fear.
If only I could but find a way To say thank you Daddy for each loving day;but all I can do is pray he may have felt all the love in my heart my words couldn't say.
My Daddy's strength was my armour to protect me from harm and give me shelter.He comforted me when the going got harder as he loved cradling my head on his shoulder.
I know how difficult for him it was to be constantly worrying and caring for me. He sacrificed so very much to ensure his daughter would always be happy.If only all handicapped kids could be this lucky to have a Daddy who loved so unselfishly then this world would be a much happier place.##imported-begin##PORTIA CLARK##imported-end##

“ Before you shot Anthony , did you look into his eyes?
Could you see the fear he felt inside?
Yes, he was someone who had it all,
Did you have any fears or hesitations any at all
Before you shot Anthony, did you think and feel what would it be
like,
To be on the other end of his strife?
Was taking from us helping to ease your pain?
Or could you have dealt with this maybe some other way?
Before you shot Anthony did it come into your heart,
to think of all your tearing apart?
Yes,Anthony's life was in your hands it i ĩ ĩ ½s true,
Did you really want this consequence tearing away at you?
Before you shot Anthony did you even think that thought,
To tell him of your pain and what you i ĩ ĩ ½ve sought.
Maybe you i ĩ ĩ ½ll find someone you i ĩ ĩ ½ll treasure
You never gave Anthony a chance to show what he had to
measure.
I can only ask these things and it i ĩ ĩ ½s all up to you,
Anthony had no power, which is what you wanted to do.
So now that you i ĩ ĩ ½ve got what you wanted to do,
Please think of these things before you shoot again!!. PLEASE
TURN YOURSELF IN!!!imported-begin##YVONNE

“ I'm sitting here in my room, looking at your picture.
Wondering why you couldn't be a part of my future.
Uncontrollable tears stream down my face,
while my heart beat starts to race.
Wanting to ask the killer why he took you from my life,
It is as painful as if he had shot me too.
YES, I STILL NEEDED MY DADDY!!##imported-begin##MECCA

“ God put people in our lives for a reason;Some for a while and some for a season,but with each of you its for a lifetime. Your friendship and love is truly hard to find.This poem is to let you know that We really appreciate all of you and to also say We love you; but most of all ,it's just our way of saying THANK YOU!! Thank you for the flowers,cards,calls,visits,gifts,food,kind words,and prayers;Also, for your attendance at Anthony's funeral:just by you simply being there really meant ALOT!! Yes, this truly has been and still is hard for us to grasp, but knowing We have friends like you and understanding that God didn't bring us to it,if he didn't think We'd get through it has eased alot of our pain.SPECIAL THANKS TO BURNAM AND SON MORTUARY AND THE BOWLING GREEN CITY POLICE DEPARTMENT. “ Hey Anthony, You had planned to celebrate your grandson Cayden's 1st birthday yesterday and even your grandson Chase's in March,not to mention your own in Februrary,but thats not possible now; I pray that the killer realizes that he took the life of a Son,a Brother,a Father, Granddaddy,a Grandson,an Uncle,a Friend,a Cousin, an Ex-husband,and Nephew.Your life mattered ALOT to us!! I know tomorrow is not promised to any of us ,but something like what happened to you is NEVER suppose to happen.Anthony,I just realized that you didn't just save one persons life,but you saved two peoples lives: HOW WONDERFUL!! You will always have a special place in my heart!###imported-begin##YVONNE BRYANT###imported-end##

“ Daddy, I can't stop thinking of you:It's so hard not to. I just can't turn away from this whole situation.I wish I could run away from this mess. Daddy, I really am trying hard to find a "happy place",but I realize that there is simply NO "happy place". Yes Sir,I try to show people that I'm happy on the outside;but to be f...or real,I am dying on the inside with ALL this pain!! Daddy, I feel like my whole world is pitch black, and it may NEVER see color ever again.This feels like a nightmare that I can't wake up from ,and one that I'm in too deep to come out!! Daddy,I know you want me to be happy and I'm going to promise you that I will try very very hard because I know, for sure, I 'll see you again. So Daddy for now its goodbye. R.I.P

“ Tomorrow is not promised to anyone, young or old alike,
And today may be the last chance you get to hold your loved one tight
So if you're waiting for tomorrow, why not do it today?
For if tomorrow never comes, you'll surely regret the day,

That you didn't take that extra time for a smile, a hug, or a kiss
and you were too busy to grant someone, what turned out to be
their one last wish.

So hold your loved ones close today, and whisper in their ear,
Tell them how much you love them and that you'll always hold them
dear

Take time to say "I'm sorry," "Please forgive me," "Thank you," or
"It's okay."
And if tomorrow never comes, you'll have no regrets about
today##imported-begin##YVONNE BRYANT##imported-end##

“ I love you Daddy with all my heart and hate that we should be apart. Our love is a bond that can't be broken. You may be gone, but never forgotten. I remember the day you went away; The pain in my heart is every beat, but I know that eventually, one day We will, once again meet. The loss is something I can't describe. I'm really missing you; but, I know one day I'll be back by your side so I can hug and kiss you. There are no words to tell you, just what I'm feeling inside: The shock, the hurt, AND the anger one day, will gradually subside. Daddy, things will never again be the same; and although I'm hurting quite badly right now, I can still smile whenever I hear your name and be so proud to remember my Daddy. Sleep well Daddy, You are forever in my heart and my thoughts. I Love You Daddy!! R.I.P. forever###imported-begin###MECCA CLARK###imported-end###

Don't tell us how our grief will pass, That we will soon be free. Accept us in our ups and downs. We need someone to share. “ I miss him so much that I feel as though my heart will break. My days are spent going through the motions . Does this pain ever end? I look around myself and wonder Why and What's next?. I am so sick of crying every day . I just want things to be normal again, but I also understand that at my age , I have to redefine what "normal" is now. I'm just so tired. I have the head knowledge to know that things will get better because I have lost several loved ones in my life ,but this has been the hardest thing that I have ever dealt with!! I do believe in Heaven and that he is there and one day I will see him again: I believe that with no reservations ,but right now-I have to be honest- it doesn't seem to make me feel any better.I have always loved Christmas and I am doing all I can to continue on with our traditions, but I am just so sad.
