“ R.I.P. Uncle Willis. I'm REALLY going to miss you looking for me and asking me to be your spades partner ALWAYS. There can be a room full of people, but you ALWAYS wanted me to be your partner. I know it was not because I was a good spades player-I suck-but it was because you felt so comfortable with me, and I felt the same with you. I remember one time when we were in Indianapolis, you asked me if I would play 2 hand spades with you even tho. we had a house full of relatives there. Thank you for trusting me and for ALWAYS being comfortable with me. I know you were very particular when it came to dealing with people and some relatives, but I thank you again for showing Mom and Dad just how much you loved them and they loved you too. You are my Hero!! I love you and I'll miss you looking for me to be your spades partner. Until we meet again.
